

## **SPECIAL RAPID FIRE ONLY MATCH**

**JUNE 18, 2005**

In lieu of our monthly Time and Accuracy Match today's match will be an individual two stage rapid fire only match.

This match is intended to provide rapid fire experience for the Zouaves Infantry Trophy Match, AKA "Rattle Battle" to be held on Sunday, July 3, 2005. However, individuals are welcome to participate in this match whether or not they participate in the July 3 Zouaves "Rattle Battle" match.

Today's match is open to any rifle with open sights. Scores from competitors with bolt rifles, Garands, and magazine fed semi-autos will be listed separately.

All firing will be on the 200 yard target. Competitors will start in position.

The targets for today's match will be scored in a similar manner to how they are scored in the Zouaves Infantry Trophy Match.
