

.22LR Long Range Competition

Date: Saturday, January 7, 2006. Held immediately after the morning practice match.

Match Summary: This match is intended to simulate long range shooting by using a smaller, lower velocity bullet at various, abbreviated ranges. Any rifle is allowed, as long as it shoots .22LR.

Course of Fire:

Stage 1 – 100 Yards. Three minute preparation period followed by twenty minutes for unlimited sighters and shots on the 100 yard target. Best 20 shots will be scored

Stage 2 – 200 Yards. Three minute preparation period followed by twenty minutes for unlimited sighters and shots on the 200 yard target. Best 20 shots will be scored.
